Our Patron: San Isidro Labrador

Birth: 1070 | Death: May 15, 1130

San Isidro Labrador (St. Isidore the laborer) is the patron saint of farmers, agricultural workers, laborers, livestock, rural communities and Madrid, Spain. He was born to very poor and pious Catholic parents and when he was old enough, he was sent to work for a wealthy landowner. He married Maria de la Cabeza, who was later canonized as San Maria de la Cabeza. San Isidro attended Mass every morning and afternoon, but because of this, he was often late for work. Even though he was late, his ploughing was always completed. His co-workers believed they had witnessed his work being carried out by angels and so held Isidro with great respect. San Isidro was known for his love of the poor and there are accounts of him supplying the poor miraculously with food. He was canonized in 1622 and is often portrayed as a peasant holding a sickle and a sheaf of corn. Sometimes he is shown with a sickle and staff; as an angel plows for him; or with an angel and white oxen near him. The story of San Isidro is a reminder of the dignity of work, and that ordinary life can lead to holiness. His feast day is May 15.

About the Cover Artist

Arlene Cisneros Sena creates contemporary retablos in traditional form to express pride in her heritage. Sena’s works make innovative use of natural pigments, while her soft, graceful lines and delicately applied gold leaf renders familiar imagery in an immediately recognizable, personal style.

Since her entry into Spanish Market in 1992, Sena’s work has achieved national and international acclaim. In addition to countless private collections, her santos have been acquired by the Museum of Spanish Colonial Art, the Museum of International Folk Art, the Taylor Museum, Regis University and the Vatican, which houses a reliquary crafted in collaboration with jeweler Lawrence Baca.

A recipient of the Archbishop of Santa Fe’s Award in 2001, the Governor’s Award for Excellence in 2010, and the Spanish Colonial Arts Society’s Master’s Award for Lifetime Achievement in 2012, Sena has recently completed a number of prestigious large-scale commissions including an altar screen for the Blessed Sacrament Chapel inside Santa Fe’s St. Francis Cathedral Basilica. More recently, Sena has completed an altar screen for the Bishop of Gallup’s private chapel as well as commissions for The Shrine of Our Lady of Guadalupe, Santa Maria de la Paz, San Isidro, St. Anne’s and the Santuario de Chimayo.
Dear Friends,

The truest form of sincerity is action. As we, at The Catholic Foundation, move forward on this Journey and Growth, we see with our own eyes this sincerity from many aspects: from the support of the only Shepard we have really known, Archbishop Emeritus Michael J. Sheehan; to our gracious new Shepard, Archbishop John C. Wester; through the remarkably generous life of one of our trustees, Marie Hillerman, who made her eternal journey this year; to the beginning of a wonderful journey in loving dedication and commitment of Father Graham Golden, our Norbertine Brother, who was ordained to the Priesthood this year. All of these examples continually remind us of God’s loving grace, who by His love gave the purest act of sincerity and love through the sacrifice of His only Son.

As we continue on our Journey at The Catholic Foundation, we are thankful for the many benefactors who have been so gracious and taken action with what God has blessed them with. Entrusting us to manage these gifts helps continue the work of the Gospel in the Archdiocese of Santa Fe. We look at the Growth of the orchard that has been planted by these benefactors and we know that they follow the thought of St. Ignatius when he wrote “Love ought to manifest itself more by deeds than by words”.

The impact of these deeds will continue long beyond our lives, and the seeds and fruit from this orchard will hopefully nourish and inspire many others to do likewise with the generations that follow.

One gift, many generations

This year we had a record 50% increase in requests for grants through our competitive grant process over 2014. It was wonderful to see the requests come from all corners of the Archdiocese and it is always bittersweet that the need is always more than our resources. That being said, we are extremely pleased to announce that we will close our books with a record $43,066,452 in Total Assets for this year. This has allowed us to distribute over $1,588,148 in total for 2015.

We are extremely grateful for the support of all of the faithful in the Archdiocese of Santa Fe, especially all of our dedicated Priests, Religious, and other lay leaders.

In following his call to action, we join Pope Francis during his visit to the United States in his prayer for families: “May the example of the Holy Family, with the aid of the Holy Spirit, guide all families, especially those most troubled, to be homes of communion and prayer and to always seek God’s truth and live in His love.”

In Christ’s Love,

Edward Larrañaga,

Our Mission

To gather, manage, and distribute assets to promote the work of the gospel within the Archdiocese of Santa Fe.
The Catholic Foundation Funds

The Catholic Foundation manages a variety of funds that provide income to meet the needs of Catholic communities throughout the Archdiocese of Santa Fe. The Catholic Foundation invests gifts in permanent endowment funds and distributes earnings from the endowments annually. Earnings from the Foundation’s unrestricted and field-of-interest funds are allocated through a competitive grant proposal process. Designated fund distributions are made to recipients specifically named in endowment agreements. The Catholic Foundation also makes disbursements from donor advised funds to beneficiaries selected by the donors.

Foundation funds are invested with professional investment managers and performance is monitored by the Foundation’s Investment Committee. An independent audit is performed annually to ensure open disclosure of Foundation financial activities. Call The Catholic Foundation at (505) 872-2901 for more information.

This past year we lost trustee and dear friend, Marie Hillerman, who had supported the Foundation since 1998. She was a devoted and generous person with a cheerful spirit and gentle heart. Did you know that The Catholic Foundation manages eight separate endowments that support the education of seminarians for the Archdiocese of Santa Fe? Many of these funds were established by individuals — through lifetime or testamentary gifts — deeply committed to building our Church through vocations. These donors, together with The Catholic Foundation and the Archdiocese of Santa Fe, are helping ensure the strength and vitality of our future Church.

**The Maloof Scholarship Fund**

Since 1998, the Phillip J. Maloof Scholarship Fund has awarded nearly $1 million in scholarships to Catholic school students in Bernalillo County. This academic year, $50,000 in scholarships has been awarded to 66 students attending the following schools: Holy Child, Holy Ghost, Our Lady of Fatima, Our Lady of the Annunciation, Our Lady of the Assumption, Queen of Heaven, San Felipe de Neri, St. Charles Borromeo, St. Mary’s, St. Therese, St. Thomas Aquinas, and St. Pius X High School.

The Catholic Foundation expresses its sincere gratitude to the Maloof family for their generosity and investment in Catholic education.

**Dear Maloof family,**

Thank you so much for the $1,000,000 scholarship that will allow me to attend Catholic school.

I was excited to be on the honor roll the last three quarters in 6th grade, and am looking forward to starting 7th grade.

Sincerely,

Jaden

**Archbishop’s School Fund**

The value of Catholic education is undeniable. Academic excellence, along with discipline and values, provide a strong foundation for the development of both mind and soul. But for many families, the cost of Catholic education is difficult to afford. This academic year, a total of $325,000 will be given out for tuition assistance by The Catholic Foundation and the Archdiocese of Santa Fe, thanks to the many families who support the Archbishop’s School Fund and the Annual Catholic Appeal.

**CHI St. Joseph’s Children**

During the first five years of life 90% of our brain development occurs, and our experiences in those years shape the way we learn, think and behave throughout our lives. New Mexico ranks last in the nation in measuring the well-being of our children, 49th in teen birth rates and 47th for the percentage of children living in poverty. St. Joseph’s Children is a voice on issues that impact the health and development of children ages 0 to 5 years, because it is what happens in those first five years that makes a lifetime of difference.

At CHI St. Joseph’s Children, the goal is to ensure that children reach kindergarten with the health and family capacity necessary to support learning. Children who start school ready to learn are more likely to read at grade level by the 3rd grade – a significant indicator of high school graduation and future success in life.

CHI St. Joseph’s Children Home Visiting program supports parents through education and skills training. Home visitors help parents bond with their children and develop skills for healthy, effective parenting. The Enhanced Referral Services program teaches families how to access community services in dealing with life challenges such as housing, food, income support, medical services, employment and education. The Advocacy program works to change public policy, influence the allocation of resources to meet the needs of children and their families, remove barriers to service and fill gaps in services.

In 2015, CHI St. Joseph’s Children committed $25,000 in matching grant funds for programs that nurture the spiritual, emotional and physical well-being of children in communities throughout the Archdiocese of Santa Fe. To learn more about how the matching grants will be helping our children, please see page 18-19.

Giving

The Catholic Foundation is a leading philanthropic institution that advances Catholic values and encourages charitable giving through outright gifts and deferred giving programs. For both donors and recipients giving is a highly personal and spiritual decision and the Foundation offers many ways for donors to put their legacy gifts to use. The Foundation’s gift options are designed to meet the individual needs and interests of our donors.

Gift Options

We are always available to help you get started with your journey of giving and supporting the programs or organizations that are most important to you.

Outright Gifts
Cash, Securities, Real Estate

Charitable Gift Annuities
Receive lifetime income with a gift of $10,000 or more.

Charitable Remainder Trusts
Receive an income for life or a specific term of years with a gift of $100,000 or more.

Bequests
A bequest of any size can be left in a will or trust to The Catholic Foundation. The Foundation can be named as beneficiary of a specific devise, retirement account, insurance policy or the residuum of an estate after family has been provided for.

Endowments
At The Catholic Foundation, any individual or institution can establish an endowed fund with a perpetual term. Endowment funds are tailored to meet the philanthropic or financial goals of the donor and to provide a stable, predictable source of income for the good works the donor wishes to support. Endowed funds can be established in several ways:

An immediate gift of $5,000 or more, in the form of cash, securities, life insurance or real estate allows the donor to create an endowment. A simple agreement is prepared that specifies how the donor wishes to have the endowment named and how the income will be used. Funds can be added to the initial endowment at any time with contributions often made to honor birthdays, anniversaries and other special occasions.

A donor may prefer to establish an endowment and then make his or her largest gift through a will. A donor can sign an endowment agreement early and allow the endowment to be funded later by a bequest.

The donor’s contribution will qualify for the maximum tax deductions allowed by law no matter which method the donor selects to establish the endowment. The Catholic Foundation recommends that a donor consult an attorney or a financial advisor for assistance in making a gift through a will.
